

STATEMENTS FOR TRUTHS AND MYTHS LESSON

Ask your pupils to write down whether these statements are 'Truth' or 'Myth'

1. You have to do A levels to go to university
2. A full-time course means being at university from 9am until 5pm five days a week
3. Everyone who goes to university lives away from home
4. Many universities employ students in part-time jobs while they are studying
5. You have to pay for your university course either before you go or while you are studying
7. You don't have to pay your student loan back until you have started working and earning over a certain amount
8. All higher education courses last for three years
10. A personal tutor will check that you are doing your homework every week
12. There is no one to turn to if you find it difficult to cope
15. You have to be rich to go to university
16. Only practical courses like Business Studies or Law help you get a job
17. There is no point in going into higher education when you could be gaining work experience during those three years
18. If you find you have chosen the wrong course you can always change to any other subject
19. All graduates earn the same so it doesn't matter which degree subject you take
20. You get no financial help when you go to university
